RIVER EDGE FOUNDATION

FREQUENTLY ASKED QUESTIONS (FAQ)

WHO DOES RIVER EDGE SERVE?

Generally Georgians ages 5-95 with a mental health challenge or substance use disorder, and adults with intellectual and developmental disabilities.

CAN ANYONE FROM GEORGIA RECEIVE TREATMENT AT RIVER EDGE BEHAVIORAL HEALTH?

Yes. Although River Edge is focused on serving central Georgia (primarily Macon- Bibb, Baldwin, Jones, Monroe, Putnam, Twiggs, and Wilkinson counties), River Edge will work to help any Georgia resident in need of treatment.

DOES RIVER EDGE ONLY SERVE UNINSURED POPULATIONS?

No. River Edge serves individuals with private and public insurances as well as people without insurance. We also help individuals obtain any state or federal resources they are eligible to receive.

WHY DOES RIVER EDGE NEED PHILANTHROPIC SUPPORT?

Untreated mental health conditions, substance use challenges, or developmental disability can create significant financial stress. All too often, people arrive at River Edge in significant crisis and without their basic needs met (like food, shelter, or money for medications). We know that proper treatment & supports are effective; donor generosity helps our neighbors achieve recovery and have meaningful, positive opportunities in the community. Too, donor generosity helps our community create assets that promote recovery, inclusion, and wellness.

HOW WILL MY GIFT BE USED?

Your unrestricted gift to River Edge Foundation will be used to meet the greatest needs for those we serve. Any gift you designate to be used to support a specific service need will be used only to fulfill your wishes.
